HOW ASG CAN BENEFIT YOUR CHARITY

**Partnering with All-Star
Gaming for your Type III
Instant Bingo License**

Financial Benefits

We help your charity generate more fundraising dollars without adding volunteers! Many organizations find that they make more with ASG than doing it on their own. Profit checks are mailed out to your charity monthly (ACH deposits will be available soon). In exchange for ASG's services, the cost of tickets is slightly higher than other distributors. Reports show that ASG's customers sell almost three times as many tickets as non-customers.

Operational Ease

We make it hassle-free! You do not have to store or deliver any tickets! Your locations can order from a wide variety of tickets by calling our Customer Service department or by ordering on-line. We ship tickets directly to your locations with next day delivery via FedEx.

We will help you grow! Our sales team will find new businesses for you to partner with. Several corporations/chains throughout the state exclusively work with ASG. We provide signage to your locations to attract new customers and increase sales.

We do the work for you! Your dedicated salesman will be the main point of contact for you and your locations. They will routinely visit, monitor sales, and will handle the paperwork-things such as ownership changes and new locations.

We keep you compliant! We utilize the accounting firm JC & Company, who takes care of the profit collection, accounting, and payments. They also handle year-end Form 1096/1099 processing and filing with the IRS.

We keep you informed! We provide weekly and monthly reports and you will have access to a personalized charity portal making record keeping simple. Reporting, invoices, contracts, and bank statements are all available online to help make our program fully transparent.

We keep your locations operational! We have a dedicated Service Department that will keep your machines in working order, never charging service call or labor fees. Annual preventative maintenance is completed free of charge.

Affordable Program

We make it affordable! Our program is designed so that you will never have out-of-pocket expenses. We provide machines to your locations with no upfront costs. The machines are paid for with the profits of our program. We offer lower-cost American Games Maxim and Mini Max machines that come with a 15-month warranty.

License Support

We make getting licensed easy! We complete the initial bingo license application. Requirements for the annual bingo licensing renewal are always changing. We will complete your renewal and ensure you stay compliant with the Attorney General's Office each year. Historically, charities who work with All-Star Gaming do not receive on-site bingo inspections.

Our pull tabs are sold in over 2,500 Ohio businesses. We work with over 150 charities and service every Ohio county.
